

Treaty 6 Land Acknowledgement

We acknowledge that we are on Enoch Cree Nation Treaty 6 territory; the traditional meeting grounds, gathering place, and traveling route of the Cree, Dene, Blackfoot, Saulteaux, Nakota Sioux, as well as the Métis Nation of Alberta, Region 4. We acknowledge the many First Nations, Métis, and Inuit peoples whose footsteps have marked these lands for generations.

We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We recognize the land as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.
